Jarrell ISD Administration is now offering a new employee benefit -- an employee daycare facility called Paw Prints.

Paw Prints is currently enrolling students for the 2019-2020 school year. Placement in Paw Prints is being offered on a first-come, first-served basis. It will be housed in the building that was Jarrell Intermediate School and will be operated by a fully licensed and professional staff.

Paw Prints will be operated exclusively for the benefit of staff of Jarrell ISD. At this time, we will only be operating Paw Prints on the 185 contract day calendar - when instructional staff members are working. We will be serving students age six (6) weeks through four (4) years old.

The tuition breakdown will be as follows:

6 wks – 23 months	\$156/week
24 months – 4 years	\$128/week

All payments will be processed through payroll deduction, and will be annualized (deducted over twelve (12) months).

As we add staff to run the program and collect data from parents, we will examine additional days of operation, including drop-in service and daycare during the summer.

To reserve placement for your child(ren), please complete the Paw Prints Registration form accompanying this document. After you've completed the form, please return it along with your registration deposit to the Central Office front desk.
