

## Public Announcement for G/T Nomination

Jarrell ISD is committed to providing challenging learning experiences for students with exceptional intellectual and creative thinking abilities. As part of this commitment, Jarrell ISD is now accepting nominations for students who may need Gifted/Talented Services. These services are designed for students who exhibit intellectual and creative thinking abilities at an extraordinary level and are provided only upon identification of education needs of the student.

To help you to better understand the type of learner Gifted/Talented Services are geared toward, please review the information on the table below.
